Rocky Mountain Gun Club

As a valued member of the community, we would be honored to have your support for this year's event as we strive to raise \$75,000. In 2017, CAP facilitated 303 forensic interviews and 438 counseling sessions to support child victims of abuse as they work through the trauma they have endured. These services are provided at no cost to the families. Your partnership supports our mission of coordinating a collaborative multi-disciplinary approach to the investigation and prosecution of severe sexual and physical abuse cases throughout the state. Children from as young as two years old to 18 years old, as well as those adults with developmental disabilities, find the courage to enter our agency on a daily basis to talk about their abuse in a safe, friendly environment.

**June 2017:** Lenard Smiley sentenced up to 70 years for sexually abusing two teenage girls

**September 2017:** Aaron Rushing sentenced 30-35 years for raping 12 year old girl and possessing child pornography

**October 2017:** Brandtly Bedsaul sentenced 60 years to life for attempted murder and 40-50 years for first degree sexual assault. Victim was a 4 year old girl.

Your partnership is vital to CAP and the many children who come through our doors. To make this event a success, we depend on the support of our friends in the community who generously donate auction items and financial sponsorships. Please review the enclosed sponsorship levels and choose to become an integral part of continuing CAP's mission. On behalf of the Board and staff, thank you for considering this request. A member of our staff or committee will contact you soon.

Sincerely,

Stacy M. Nelson, Executive Director
